# Women Entrepreneurs Networking Event

**2012 Theme: Supporting Women's Economic Empowerment**

## Guest Speaker: Donna Bain

International Women's Day (IWD) is celebrated on March 8. Each year around the world, thousands of events occur throughout March to mark the economic, political and social achievements of women.

Join us and learn about Donna's self-confessed habit of taking on paid and volunteer roles with little or no experience, simply because she wants to help. Her confidence has led her to a diverse career in the not-for-profit sector, including roles in adult education and migrant services. She now runs Self-Help Workshops in Youngtown, providing employment for 54 people with disabilities. Donna also works as a technical writer for the United Nations and volunteers with the Migrant Resource Centre in Northern Tasmania. In 2011, Donna represented Tasmania and won the national Telstra Women's Community and Government Award.
